Some challenges...

- IPM terminology
- Regional lexicon
- Tone setting
- Proofreading
- Keeping up with updates on English site

Image: https://bestmapof.com/map-of-spanish-speaking-countries.html

Say what…?

“Translating from one language to another, is like looking at Flemish tapestries from the wrong side, for although the figures are visible, they are covered by threads that obscure them, and cannot be seen with the smoothness and color of the right side.”

— Miguel de Cervantes Saavedra, Don Quixote
