

**PEST ODYSSEY 2021-
THE NEXT GENERATION**

Detect, Respond, Recover - best practice in IPM

This will be a fully virtual conference from 20th – 22nd September 2021 and will enable participants to focus on changes and new developments in IPM over the last ten years

Submissions are invited for “posters” to be presented at the Pest Odyssey Conference 2021.

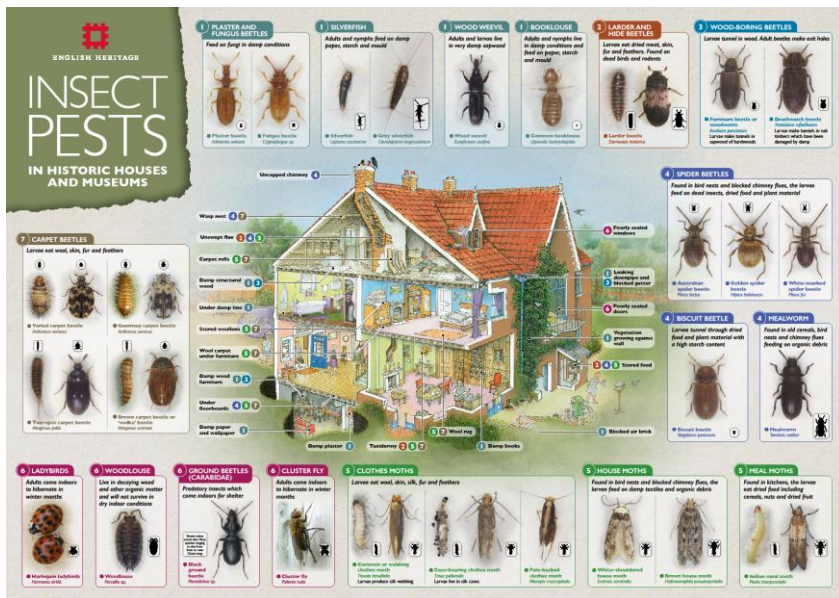

posters will be 5-minute presentations (5 slides in 5 minutes)

Abstracts should be a maximum of 200 words and should be submitted as a Word document to pestodysseyuk@gmail.com by 12 a.m. (midnight) GMT on March 14th 2021.

posters will be required as a 500-word article with a maximum of six images by 30th June 2021 for peer review and inclusion in the conference publication.
